## **Self-Test Instructions**

Each time that we finish a chapter, you will be required to complete the self-test on the textbook's website for that chapter, and submit the results. Each self-test counts as 1.25% of your total grade. Failing to submit a self-test is a 0; submitting one is a 1. Your score on the self-test does not determine your grade – you only have to take the test and submit it to receive the full 1.25%. You can take the tests at any time, but they must be completed before the last day of class.

### **Procedures**

The website for the textbook is

[http://wps.prenhall.com/esm\\_molay\\_UNIXProg\\_1/7/2040/522376.cw/index.html](http://wps.prenhall.com/esm_molay_UNIXProg_1/7/2040/522376.cw/index.html)

On the website, click on the “Jump to...” box and select the chapter whose self-test you plan to take. In the navigation bar, click on the *Self-tests* link.

After you take the test, click on the “*Submit answers for grading*” button. At the bottom of the page, you will find an “*Email Your Results*” box. Send the results to me at [stewart.weiss@hunter.cuny.edu](mailto:stewart.weiss@hunter.cuny.edu), making sure to send them as “text”, NOT as an attachment and not as html. I will not accept them in any other form.

There is no automatic confirmation process, so I will send you a reply when I receive it. It might take a day or two before you get my reply, so do not worry if you do not see it right away.
